BSS (Honours) in Political Science, Jagannath University | Master's Applicant, September 2027 Intake

RESEARCH INTERESTS

- **Clean-Energy Transitions, Green Hydrogen and Energy Policy:** Green-hydrogen readiness, low-carbon development and energy security in developing economies.
- **Energy Investment, Trade and Global Supply Chains:** Renewable-energy investment, energy infrastructure financing and international supply-chain relations in South and Southeast Asia.
- **China's Belt and Road Initiative and the Political Economy of Climate and Energy:** China–Global South economic relations, low-carbon investment and the governance of clean-energy transitions.

EDUCATION

Bachelor of Social Science (Honours), Political Science *Expected November 2026*
Jagannath University, Dhaka, Bangladesh
Current CGPA: 3.41/4.00 (8th semester in progress) | Medium of instruction: English

Higher Secondary Certificate (HSC), Science *2020*
Notre Dame College Mymensingh, Bangladesh
GPA: 5.00/5.00 (Science Group, including Higher Mathematics)

Secondary School Certificate (SSC), Science *2018*
Konapara High School, Mymensingh, Bangladesh
GPA: 5.00/5.00

RESEARCH EXPERIENCE

Research Manuscript (in preparation): Green Hydrogen Transition Readiness *July 2026 – Present*
"Multidimensional Assessment of Green Hydrogen Transition Readiness in Selected South and Southeast Asian Developing Economies"
Supervisor: Dr. Tausif Ali, School of Electrical and Electronic Engineering, Shandong University of Technology, China

- Readiness assessment of eight developing economies (Bangladesh, Sri Lanka, Pakistan and five ASEAN economies) across four criteria and 20 sub-criteria, using LOPCOW-TOPSIS MCDM; implementation led by the supervisor.
- Contributed to country selection and the criteria framework; collected secondary data (World Bank, IMF, IEA, IRENA, AidData) and reviewed the literature.
- Drafting the introduction, discussion and policy implications, including the political-economy interpretation.

Systematic Review (in progress): Clean Energy Transition *June 2026 – Present*

- Working title: "Political Economy Frameworks in Clean Energy Transition: A Systematic Review"
- PRISMA 2020 systematic review, preregistered on OSF in June 2026 (DOI: 10.17605/OSF.IO/JVCD3)
- Focus: state capacity, elite capture and China's BRI finance; Bangladesh and Vietnam as primary cases.

Undergraduate Research Monograph (in progress) *June 2026 – Present*
"Fuel-Price Hike and the Day-to-Day Expenses of Jagannath University Students"
Supervisor: Mezbah-ul-Azam Sowdagar, Associate Professor, Department of Political Science, Jagannath University

- Qualitative, questionnaire-based fieldwork: an open-ended questionnaire to be completed by approximately 15–20 Political Science students, with responses to be analysed thematically to explore reported changes in day-to-day expenses and expense-management practices.

RESEARCH METHODOLOGY TRAINING

Advanced Training on Research Methodology (one month) *Completed December 2025*
Centre for Social Science Research and Training (CSRT), Jagannath University, Dhaka

- Introductory training in SPSS, R and NVivo for social science research.

TEACHING EXPERIENCE

Teaching Specialist, Private Academic Coaching (independent) *January 2023 – December 2025*
Jatrabari, Laxmibazar, Dhaka, Bangladesh

- Taught HSC-level Physics, Chemistry and Mathematics to university admission candidates.
- Explained complex scientific concepts in a structured, step-by-step way and worked through problem-solving with students.

RELEVANT COURSEWORK

Undergraduate (Political Science): Comparative Politics; International Relations; Global Environmental Governance; Academic Writing; Political Economy and Bangladesh; Contemporary Trends in International Politics; Globalization and International Financial Institutions and Bangladesh; Geopolitics and Bangladesh; Governance and Politics of East Asia; Governance and Politics of Southeast Asia; Introduction to Statistics
